3. Complete book title incl. subtitle

Title:

Subtitle :

4. Manuscript form

(please choose)

Text and tables on CD, figures ready for reproduction

Camera ready pages

Number of pages:
Number of tables:
Number of figures: , number of colored figures:
Additional material (i.e. CD etc.):

To guarantee a smooth publication process, it is important that you ensure the text and figures of your manuscript are complete and final when submitted to us. We will then handle all the typesetting and production processes from that point onwards. To help you, there are a series of templates, guidelines, and reference standards that make submitting your book manuscript quick and easy. These have been developed and refined with our authors over many years and we are confident that you will find them easy to use.

5. Planned manuscript due date
